

Moville Chamber of Commerce Minutes November 13, 2018

Opening prayer was given by Rev. Harold Werley.

President Chris Countryman thanked Yellow Rose Catering for preparing the lunch.

Old Business:

- Jeannie Krueger reported there is a balance of \$8,019.04 after paying for today's meals.
- Minutes are available online at visitmoville.com or by contacting Lisa Fouts.
- School News: Superintendent Doug Glackin reported that the musical was a success this past weekend. WC Quiz Bowl participants won a recent tournament over Heelan. On Monday, October 11, the school was in a lockout situation following an attempted abduction in Bronson. Boys and girls basketball and wrestling are underway at this time. Mr. Glackin would like ideas on how to increase veteran #s at the school planned program. It was suggested to talk to the Legion.
- City News: Mayor Jim Fisher said that all the parks are winterized. Crews already had their first use of sand & salt following the ¾" of snow that fell last week. Cement projects are delayed due to the weather.
- MCDAI: No news on the grocery store project. Holiday lighting committee has been formed and they are researching ideas. The new cul-de-sac off of Fair Street will have cement poured next spring.
- Siouxland Big Give: \$470 was donated on that one-day fundraiser to MCDAI – funds will be used for the lighting project.
- WC Career Fair: Positive response from participants and students/parents. Good attendance.
- Halloween Parade: WiaTel provided 320 hotdogs and 280 were used – a good turnout.
- Thanksgiving Drawing: Jeannie stated that the drawing ends Friday, November 16 at noon. All canisters will be picked up and 20 \$20 winners will be drawn and notified Monday, November 19.

New Business:

- Community Thanksgiving service will be Sunday, November 18 at 4 p.m. at Trinity Lutheran Church
- Santa Day: December 8, 2018 from 11-12:30 Masons will be serving hotdogs & hamburger lunch for a free will offering. Proceeds benefit the Community Basket.

Guest Speaker: Mark Nahra, Woodbury County Engineer, spoke about upcoming bridge/road projects in the area over the next few years. Also discussed the Frontage Road.
