A FEW REMINDER TO KEEP IN MIND AS SPRING ARRIVES

Open Burning of Yard Waste is scheduled for March 26 through April 10. ONLY during this designated time period are you allowed to burn yard waste. The City provides a yard waste dump site (for Moville residents) located southwest of the CPS facility; you may dispose of yard waste, branches and leaves at this location. Please take care to place the materials in the correct piles and do not leave plastic bags or garbage at the site.

Mowing Do not mow grass clippings into the streets. The grass clippings clog the storm sewers and can cause sewer backups. It is expensive for the city and home owner.

Weed/Mowing Complaints If City Hall receives a mowing or weed complaint, a letter is mailed to the resident notifying them to mow within 10 days. If not mowed before the 11th day, the city will mow the yard. The fee for mowing and cutting weeds shall be the sum of sixty dollars (\$60) per hour.

Operating Golf Carts City Council approved an ordinance, allowing for the operation of golf carts on city streets by persons possessing a valid driver's license. However, a golf cart shall not be operated upon a city street which is a primary road extension (Hwy 140) through the city but shall be allowed to cross a city street which is a primary road extension through the city. The golf carts shall be equipped with a slow moving vehicle sign and a bicycle safety flag and operate on the streets only from sunrise to sunset. Golf carts operated on city streets shall be equipped with adequate brakes and shall meet these safety requirements.

HELP KEEP MOVILLE CLUTTER FREE

Moville City Council will continue with its annual spring inspections around Moville. If the Council determines that a property is considered a public nuisance we will take photographs, make a report and send a letter to property owners and renters whose property is considered a nuisance. We encourage you to take a look around your business, home, shed or garage and help us clean up Moville.

Here are a few tips to help avoid getting a nuisance letter:

1. Dispose of tree limbs, branches & grass clippings at the City's free dump site;
2. Spray weeds, keep lawns mowed and grass trimmed;
3. Remove piles of clutter from around the outside of your garage, home or business;
4. Dispose of old wood, metal, concrete, tires, pallets, fencing, propane tanks;

If you receive a nuisance letter, you will be given time to remedy the problem before a second inspection occurs. If upon second inspection the problem has not been satisfactorily resolved, the city has the right to clean up the area and charge the property owner for the cleanup work.

TAKE ADVANTAGE OF THE FREE CITY CLEANUP

April 11-South of Main April 18- North of Main April 25-Logan Addition

The City will **NOT** pick up normal household garbage, recycling items, yard waste, liquid filled containers, or construction materials. City crews will pick up curbside junk starting at 7:00 a.m. on Monday mornings and it may take a few days to get all the junk picked up, so please be patient and we appreciate your cooperation with the clean up. **ITEMS REQUIRING \$5 TAG: tires, washer, dryer, fridge, stove, dehumidifier, a/c units, dishwasher, water heater, freezer, microwave, computer monitors or towers, printers. \$10 tag = TV \$15 tag = Console/cabinet/projection TV, copiers.** Tags are available at City Hall during business hours. Residents are responsible for taping the tag to the item or it won't be picked up.
