SPORT COURT UPDATE

The Moville Community Development Association, Inc., (MCDAI) is expecting the sport court update to be completed this summer on the basketball/tennis court area on Main Street. The update will include three enclosed sides for a regulation size basketball court, three enclosed sides for a tennis court, pickle ball and an area for four square. The enclosures will be provided by black sport court fence that is specifically designed to be more forgiving than an aluminum fence.

There have been many fundraising efforts to support the sport court; the most recent was Trivia Night which was hosted by MCDAI at the Community Center on February 18th, 2017. This year the event raised \$3,000 and topped off the amount necessary for the project!

While the sport court project is fully funded the option to "Give a Hoop" is still available. If you would like to donate \$2,500 you can have naming rights for one the hoops. There will be four new goal setter hoops installed during the update, there are only two left so be sure to contact someone from MCDAI if you are interested. Any amount that is now donated will go toward other MCDAI project in Moville.

Thank you to all of the individuals that helped bring the goal of a sport court in our city come to fruition!
