Spring Clean Up

The City of Moville will provide an opportunity for residents to get rid of unwanted items April 18th through the 22nd. During that timeframe two dumpsters will be accessible around the clock in front of City Hall on Main Street on the West end.

Items that will **not be** accepted: regular household garbage, liquid paints, stains, sealers, liquid auto products, liquid household cleaners, liquid building products, construction materials, pesticides, herbicides, fertilizers, batteries, tires, appliances or mattresses.

Remember this is done as a service for Moville residents. Please respect these guidelines and use this resource responsibly. There will be cameras placed around this area to ensure that there is no abuse of this resource or dumping of items that are not allowed.

If this timeframe does not work or you have items that are not accepted please use the transfer station (landfill) South of Moville. Hours of operation are M, T, Th & F from 8am-4pm and Wednesday from 8am-12pm. Starting April 15th they will be open on Saturdays from 8-12pm.

Menville Farmer's Market

The 2022 season for the Menville Farmer's Market will start on June 2nd and will run through August 26th at the Main Street Pavilion. The Market will help kick off Menville Days and Security National Bank has graciously offered to host a free hot dog dinner that night from 5-7pm!

The Market will be open Thursday from 4:30-7pm with the exception of holidays and the week of the Woodbury County Fair (August 3rd-7th). Some of the items that will be available this year will include: fresh produce, plants, crocheted items, flowers, baked goods, body scrubs, goat milk products and much more.

Another big draw for the Farmer's Market are the free kids activities! The Education Station will be back in action to give kids the opportunity to learn about plants, animals and insects native to the area.

The Power of Produce (PoP) Club put on by Iowa State University Extension and Outreach will also be back at the market!

This is a Farmer's Market incentive program designed to empower children to make healthful food choices. The Pop Club will be at the Market every other week starting June 30th through August 18th. We have had so much fun with the ISU group at the Market in previous seasons! Pictured above kids are making salsa on the "blender bike". We love local food that is delicious, nutritious and fun to make!

MOVILLE DAYS 2022

Menville Days is just around the corner and we are excited to think about all of the fun activities and events that will take place! Mark your calendar for June 3rd, 4th and 5th.

There will be a few Menville Days staples on the schedule; Farmer's Market Thursday, parade, Firemen's Breakfast and dance Saturday but there will be other exciting activities added to the schedule as well.

We always welcome groups that would like to host an event. Please call City Hall if you have a group that would like to facilitate an activity or event.

A full list of events and times will be available at the Post Office and added into the Menville Record. Also, be sure to follow the Menville Days Facebook page to stay up to date with activities as they are being announced.

SPRING REMINDERS...

Open Burning. Due to the burn ban Woodbury County has issued there will not be open burning for Merville residents during the typical timeframe. We will update residents when the burn ban has lifted and potentially outline a new time frame. The City provides a yard waste dump site (for Merville residents) located southwest of the Nutrien facility; you may dispose of yard waste, branches and leaves at this location. Please take care to place the materials in the correct piles and do not leave plastic bags or garbage at the site. The tree dump is not for building materials/boards, etc.

•**Mowing** Do not mow grass clippings into the streets. The grass clippings clog the storm sewers and can cause sewer backups. It is expensive for both the city and home owner.

•**Weed/Mowing Complaints** Grass and/or weeds need to be mowed by the 15th of the month from May through October. If grass and/or weeds are not mowed by that time the city crew will mow the yard. The fee for mowing and cutting weeds shall be one hundred dollars (\$100) per hour plus administrative fees, those fees will be assessed to the homeowner. See the newspaper for monthly notice.

•**Operating Golf Carts** Golf carts are allowed on city streets by persons possessing a valid driver's license and insurance. However, a golf cart shall not be operated upon Hwy 140. The golf carts need to have a slow moving vehicle sign and a bicycle safety flag and operate on the streets only from sunrise to sunset.

•**Operating ATV/UTV's** Same rules apply as operating a golf cart.

*Reminder: tornado sirens will be tested at
7:00 pm on the THIRD MONDAY*

BUILDING PERMITS

Merville City Council has a Building Inspector to handle most permits. Permits are available on the city's website, visitmerville.com under the City Hall tab or you can stop at City Hall and pick up a permit. Once the permit has been completed the form can be submitted to City Hall and the City Building Inspector will be notified. Please remember this process does take around ten days. If you are planning a construction project, be sure to calculate the time it takes the Inspector to do his job.

Permits are required for: **BUILDING, FENCE, REMODELING, SIDEWALK, REPURPOSING, HOUSE MOVING and OPEN GRADING PERMITS.** Please call City Hall with any questions you may have with regard to building permits.
