CITY ELECTION OUTCOME

In November 2019 City elections were held in Moville. Three City Council positions were open and the Mayor post was up for election.

Nate Bauer and Bruce Schmidt were not seeking re-election for their seats, they had served on the council for 10 years and 4 years, respectively. Their time and talents have been much appreciated on the City Council while they served the community.

Tom Conolly was seeking re-election for his position on the Council, he had previously served for four years. Conolly as well as Joel Robinson and John Parks were voted into Council positions for the City of Moville.

James Fisher was also re-elected to his position as Mayor, a post he has held for 18 years. Mayor Fisher takes great pride in serving in this capacity and appreciates the opportunity to continue serving Moville residents.

Again, thank you to Nate Bauer and Bruce Schmidt for their years of service as council members for the City of Moville and we are excited to welcome John and Joel to the council.

Pictured left are Tom Conolly and John Parks being sworn in as City Council Members. Pictured right are Joel Robinson and Mayor Jim Fisher after being sworn in for their positions on the City Council and Mayor.

cans out Wednesday night as it
gets picked up early Thursday.*

Recycling

January 8th & 22nd
February 5th & 19th
March 4th & 18th

United States[®]
**Census
2020**

THE CENSUS IS COMING

In 2020 there will be a census count completed. The U.S. Census Bureau has already contacted City Hall to let us know they will be in our area and are looking for assistance with this process. They would like our help to spread the word about who they are and what they are doing and why it is important.

They are looking to recruit hundreds of individuals to assist in a variety of capacities with this process, part time and full time jobs. If you are interested in learning how to be part of the process please call 1-855-JOB-2020

Here are a few helpful facts from USAFacts.org about the Census

Who participates in the Census:

Everyone who has established a residence in the US is counted, including individuals with work visas, international students, and unauthorized immigrants, but excluding temporary visitors such as tourists.

When should I expect to receive my survey?

You don't need to sign-up; the Census Bureau is hard at work making sure they get to you. You will receive a letter in the mail between March 12th - 20th. Those who do not respond online or by mail to the initial requests are visited in person by a team of Census surveyors.

What is the need for a "complete count?"

Data from the Census is used for a variety of purposes. It determines legislative districts and representation and sets eligibility for government programs like housing assistance. The data is also used to allocate nearly \$700 billion, or 13% of all government spending, to government grants and programs. When fewer people respond than actually live in a given area, the data may under-allocate elected representatives or reduce the amount of funding given to that community.

Get ready to see Census workers beginning in April in our community. For up-to-date information about Census information and other city related stories please "like" MovableCityClerk on facebook. We are also happy to take any calls at City Hall (712) 873-3545

PET REGISTRATION

Pet Registration for 2020 is now open! Register your pet by picking up the form at City Hall or download the form at www.visitmoville.com. The annual cost to register your pet is \$5 if they are neutered/spayed and \$10 for non-neutered/spayed pets.

Please return form, fee and a copy of current vaccination record to City Hall. Feel free to use the overnight drop box and staff will mail 2020 tags. Pets not licensed by March 31st will be assessed a \$3.00 per month late fee and will be subject to violation of City Ordinances and Fines.

SNOW EMERGENCY

The City of Menville has a snow parking ordinance for winter months. This Ordinance is to help get our streets plowed quickly and avoid personal property damage.

PARKING DURING SNOW EMERGENCY. Do not park any vehicle on any public street, alley, or City-owned off-street during a Snow Emergency unless the snow has been removed from said area and snow has stopped accumulating. Whenever an unauthorized vehicle is found, a municipal officer can have the vehicle towed.

A snow emergency parking ban will continue through the duration of the snow or ice storm and the seventy-two (72) hour period after cessation of the storm.

DESIGNATED PARKING AREAS. Parking is permitted during a snow emergency in two designated parking areas: Haskell Pool parking lot and on the west side of the 200 block of North Fourth Street (soccer fields parking lot) for periods of up to seventy-two (72) hours of continuous use.

MUNICIPAL INFRACTION. Parking a vehicle in violation of this ordinance four or more times between November 1 and May 1 or leaving a vehicle in a designated parking area for over seventy-two (72) hours shall constitute a Municipal Infraction. A civil penalty of \$100 shall be imposed for each violation. Each day a violation continues shall constitute an additional infraction.

Interested in Automatic Bill Pay (ACH) as an option for your City utility bill?

Complete the form below and drop it off at City Hall or mail it to Box 420.

We will take care of the rest.

THANK YOU

The Movable Firefighters Association members would like to say "Thank You" to everyone that made a donation during the annual fund raiser.

Donations will help support the Firefighters Association's grant efforts and to purchase needed equipment to help keep our members safe and to better serve our Community.

Thanks again!

Moville Police Department

The Moville Police Department will be partnering with the State of Iowa for the Special Traffic Enforcement Program or sTEP. The sTEP program invites statewide participation by all law enforcement in Iowa in cooperative "high visibility" traffic enforcement effort coordinated around a holiday. These events call for heightened traffic enforcement for all traffic violations with the main effort to raise awareness in safety belt use as the best means of protection in the case of a motor vehicle collision.

Dates for this quarter are January 1st-5th and March 10th-21st.

The Moville Police Department can answer any questions or concerns about the program at (712) 870-1250.
