New Businesses

We would like to welcome two new businesses in Moville: Curl Up & Dye and Movillatte!

Curl Up & Dye is located at 743 East Frontage Road. The salon focuses on beauty, cosmetic and personal care. The owner has been a resident of Moville for over a year and recently relocated her business from Pierson to Moville. We are so lucky to have another upscale salon to serve Moville residents.

Movillatte is located at 132 Main Street and opened their doors June 9th- just in time for Moville Days! Currently the coffee shop makes specialty coffee drinks; lattes, cappuccinos, frappes and of course a good 'ol cup of Joe. If you are looking for something without caffeine they offer a variety of smoothies and flavored lemonade. They will also offer donuts and muffins throughout the week.

MOVILLE ROCKS!

If you haven't seen the "Moville Rocks" page on facebook be sure to check it out, there are a lot of great pictures being posted daily!

Jeannie Krueger kicked off this activity by hiding painted rocks in public places around Moville for anyone to find. The "rules" are simple: find a rock and re-hide it, paint your own rocks and add "Moville Rocks" to it, hide them in a public areas, and post pictures on facebook with the hash tag #movillerocks.

We are happy to see many smiling faces by City Hall "hunting" for rocks. While we can't guarantee any rocks will be here but we do enjoy seeing the kids that stop by!

SPORTS COURT UPDATE

Have you seen the vibrant sports court on Main Street? How lucky are we to have that in our city! We are very thankful for all of the effort MCDAL put forward and all of the individuals that provided monetary contributions toward this project.

Some have asked what makes this surface different from our old court? The rubber tiles that are used for the court delivers a better combination of shock absorption (protection from injury), ball response, traction, and playability and it is easier on joints and ligaments. This really is a state-of-the-art surface we are fortunate enough to have to play on here in Merville.

With that, there are a few guidelines that we ask that you follow: ***No roller skates, in-line skates, skateboards, bicycles, tricycles or hockey play.***

We really appreciate everyone's help in keeping the court in great shape! If you have any questions or concerns please let us know.

Thank you!

Be sure to follow and "like" Merville City Clerk on Facebook for updates!

REMEMBER TO RECYCLE

Pickup for recycling occurs every other Wednesday.

Residents are also encouraged to call the Woodbury County Landfill at 873-3837 for information about recycling options and what might work best for you; whether it is the pink container with a lid and wheels or just the green rectangular tub.

Recyclable items that are accepted: Paper products, magazines, corrugated cardboard, plastics #1-7, shopping bags, tin cans, milk jug, egg carton, newspaper, shredded paper, Glass is NOT accepted.

Don't forget to drain and cover.

Did you know...

There was \$250 donated at the Ice Cream Social and Touch-a-truck during Merville Days? Those funds went to the backpack program that benefit students from Woodbury Central, Kingsley and Lawton Bronson Schools.

Thank you to everyone that helped volunteer and also those that made a monetary donation.

For more information on the backpack program please contact Chris Howrey at wildcats4wc@gmail.com
