

How Do I Recycle?

Aluminum and Tin

Examples of what is accepted:

- Fruit & vegetable cans
- Beverage cans
- Metal lids from glass jars and bottles.
- Pet food tins
- Coffee cans

To avoid injury to your collector, please place lids from cans inside the can, and pinch the top of the can to trap the lid inside. All food items must be rinsed.

Plastic

Examples of what is accepted:

- Pop bottles
- Juice bottles
- Shampoo bottles
- Detergent bottles
- Milk jugs

Milk and food products must be rinsed.

How do I know if my plastic bottle is recyclable?

There is a number stamped on the bottle usually on the bottom. The number is surrounded by the recycling symbol .

Paper and Newspaper

Examples of what is accepted:

- Brown paper sacks
- Newspaper
- White office paper
- Computer paper
- Magazines
- Wrapping paper

If using green recycle bin, please put all of these items in plastic (please do not use black) bag or tie together with a string to keep from blowing.

Cardboard

Examples of what is accepted:

- Corrugated cardboard
- Toy boxes
- Waxed food cartons
- Pop and beer containers
- Detergent boxes

Cardboard boxes must be flattened. Bundles must be no larger than 24"x30"x12". All Styrofoam and plastic liners, inserts, wrappings and staples must be removed from cardboard boxes.
